

Objectives

- Develop serving, returning, rallying and net playing skills
- Learn the performance aspects of the game, physical, technical and tactical – to develop a game-ready player

Skills

- Camp consists of learning and training geared toward all facets of the game, including “essentials training”, shot practice, rallying skills, point situations, games, matches, and Cardio Tennis.

Philosophy

- To ensure players have fun and put effort and learn to manage and bounce back from mistakes while learning and playing the game.
- The camp will have a “train as you play and play as you train” mind set and training will simulate actual singles and doubles match situations.
